ENRICHING TOURIST OPPORTUNITY FOR YOUR JOURNEY:

Wyening Mission Farm

Wyening Mission Farm is a family business operating near Calingiri in the West Australian wheatbelt. The farm was established in 1878 as an outpost by Bishop Salvado, founder of the Benedictine Community at nearby New Norcia. The buildings and landscape retain the character of the early mission farming and wine making days. The historic precinct includes the mission house, winery, winemaker's house, worker's cottages and stone dams and wells.

Wyening can currently offer tours of the historic precinct as another angle for those who want to learn more about Dom Salvado and the local wheatbelt history.

If you stay at **Carrah Farms** please feel free to ask Sarah and Jeff Mason about the value of visiting **Wyening Mission Farm**.
